

Friendship Sunday

June 11, 2023

Connect with friends. Reconnect with friends. Make a new friend.

Friendships come in many forms, and we begin developing them when we're very young. Throughout our lives, friendships and their meanings evolve. Our classmates and neighborhood pals explored the world with us. Together we shared experiences and made plans for the future. Eventually, paths diverge and new friends find a place in our social experience. With each new friend, we expand our view of the world. Their experiences contribute to new meaning in our lives. Through friendships, we grow and broaden our horizons. Eventually, the world becomes smaller and more connected.

Celebrate the friends you have and the new ones you have yet to meet!

- Invite your friends to join you at Unity of Auburn, Sunday, June 11th.
- Extend them an invitation to meet new people. They might make life-long friendships they didn't know could exist.
- Get in contact with them for a chat and share a memory that will spark a fun conversation.
- Tell your friends how much you appreciate them.
- Challenge your circle of friends to share an experience they think none of your other friends have had. You'll discover new things about your friends and find out just how unique each of them is.

On Sunday, June 11th, Rev. Cherie will give the message, Jason and deMarco will provide the music, and Welcome packets and refreshments will be provided for a wonderful social time after the service in Manning Hall.
