As you know, living with sickness isn't easy. In an instant, it can feel like your life is on hold... or even ruined. You go from working your 9-5 job and having a fun family dinner to asking yourself things like:

"What if the medication doesn't work?"

"What if I don't get well? "

"What if I have to live with this pain every day for the rest of my life?"

It can seem like everywhere you look, there are people struggling with sickness and disease.

What if I told you that God doesn't want you to be sick? That wholeness is your natural state.

In John 10:10 Jesus says, "I have come so you may have life—and have it in abundance."

Join our 5-week, Sunday morning meet ups and renew your mind and body in health and wholeness.

Using spiritual principles and prayer we'll study how the word of Truth —paired with a renewed mind and heart—will remove misbeliefs and uproot any fear standing in the way of healing.

You'll do the "heart work" that's necessary for healing to flow naturally into your life from the inside out. God has fully equipped you with all you need to be healed. Come and unblock the full power of life, so you walk in the miraculous!
